You may not be perplexed to enjoy all ebook collections Ben Gurion Father Of Modern Israel Jewish Lives that we will enormously offer. It is not re the costs. Its roughly what you obsession currently. This Ben Gurion Father Of Modern Israel Jewish Lives, as one of the most dynamic sellers here will entirely be in the midst of the best options to review.

Immigrants in Turmoil Dvora Hacoen 2003-04-01 May 1948: a dramatically reborn Israel put out the call for Jews to return to their new homeland. Between 1948 and 1951, over one million Jews from disparate nations across the world converge upon Israel, doubling its population and creating a unique, exhilarating socio-cultural quilt. But ramifications upon Israeli society and nationhood would be profound and long lasting. The new immigrants who were granted citizenship and the right to vote upon their arrival in Israel had an immense impact on Israeli politics. The relationship that developed then between immigrants and veteran Israelis left their mark on society and culture, creating fault lines that have deepened over the years: the ethnic rift between Jews of European extraction and those from Islamic countries, the rupture between religious and secular Jews, and the socio-economic polarization that ensued from these rifts. Most stunningly, Dvora Hacoen uncovers revelations about the inconsistency between grand ambitions to activate an "ingathering of exiles" and the nation's ability to handle such an event. She argues that the tidal wave of immigration in 1948 was not spontaneous as supposed, and Jewish agency executives and government officials favored gradual selective immigration over the open door policy that prevailed. She also explores the fate of Palestinian Jews and the roles played by various internal and global factions and adverse Arab neighbors.

Is the Idea of a Jewish State Anachronistic, Based on 19th Century Ideology, and Incompatible with 21st Century Values? Kathrin Nina Wiedl 2007-11 Essay from the year 2006 in the subject Politics - International Politics - Region: Near East, Near Orient, grade: 1,7, Ben Gurion University (Middle East Institute), course: Politics and Society of Israel, 32 entries in the bibliography, language: English, comment: This essay examines the question, if the idea of a Jewish state, based on 19th century ideology, is anachronistic and incompatible with 21st century values. It differentiates between a Jews' state in a non-religious, national meaning and a Jewish state. It aims to prove, that a Jews' State is not contradicting 21st century values, such as personal freedom, human rights, civil rights and minority rights and essential for the guarantee of these rights, inside and outside of Israel., abstract: When we look at the contemporary discussions inside and outside Israel, we see a tendency to question the right of Israel to exist as a Jewish State. This criticism comes from two different perspectives. On the one hand it is questioned if a Jewish State - defined by the law of Halakha in important personal matters like marriage and divorce and in several public affairs, such as no public transportations on Shabbat - is contradicting individual rights, such as freedom of religion and women's rights. On the other hand it is questioned if the idea of a Jewish State is compatible with the value of democracy, equal citizen rights for all citizens - including the Arab Israelis - and incompatible with human rights. This essay aims to prove that a Jewish State is an essential part of the world community in order to ensure human rights inside and outside of Israel and justified from the perspective of 21st century values. In order to make this point, we have to examine three things: First: Are the values that led to the Zionist demand of a homeland for the Jewish people still values of the 21st century and is this demand still justified? Second: Does the Idea of a Jewish State contradict the values of the 21st century?

Ben-Gurion Anita Shapira 2014-01-01 David Ben-Gurion cast an enormous shadow across his world, and his legacy in the Middle East and beyond continues to be hotly debated to this day. There have been many books written about the life and accomplishments of the Zionist icon and founder of modern Israel, but this new biography by eminent Israeli historian Anita Shapira is the first to get to the core of the complex man who would become the face of a new nation. Shapira tells the Ben-Gurion story anew, focusing especially on the period in 1948 immediately following Israel's declaration of independence, a time few historians have concentrated on and none have explored in such intimate detail. Through her intensive research and access to Ben-Gurion's personal archives and rarely viewed documents and letters, the author gained powerful insights into his private persona. Her fascinating literary portrait of David Ben-Gurion bares the flesh-and-blood man inside the influential historical figure who brought the Zionist dream to full fruition.

Homeland Marv Wolfman 2007 In graphic novel format, presents four thousand years of Jewish history culminating in the modern state of Israel. They Came from Everywhere Robert St. John 1962

An Uneasy Relationship Zvi Ganin 2005-03-01 Set in the first decade of modern Israel's existence, this volume offers an insightful look at the changing relationship of American Jews and the reborn Jewish nation/state. It is the first in-depth analysis of the subject during this key period. As the Cold War rages, leaders in all camps are shown attempting to shape and control the tangled circumstances that engulf the messianically American Jewish Committee president Jacob Blaustein, Israeli founding father David Ben-Gurion, and American presidents Harry S. Truman and Dwight D. Eisenhower. Tapping into private correspondence, diaries, oral history interviews, scholarly literature and other archival materials, Zvi Ganin provides a richly detailed look at motivations, passions, and attitudes of Jewish and Israeli leaders on numerous issues none more affecting than in the stormy debate over dual loyalty.

Ben-Gurion Shimon Peres 2011-10-25 Part of the Jewish Encounter series Israel's current president gives us a dramatic and revelatory biography of Israel's founding father and first prime minister. Shimon Peres was in his early twenties when he first met David Ben-Gurion. Although the state that Ben-Gurion would lead through war and peace had not yet declared its precarious independence, the "Old Man," as he was called even then, was already a mythic figure. Peres, who came of age in the cabinets of Ben-Gurion, is uniquely placed to evoke this figure of stirring contradictions—a prophetic visionary and a canny pragmatist who early grasped the necessity of compromise for national survival. Ben-Gurion supported the 1947 United Nations Partition Plan for Palestine, though it meant surrendering a two-thousand-year-old dream of Jewish settlement in the entire land of Israel. He granted the Orthodox their first exemptions from military service despite his own deep secular commitments, and he reached out to Germany in the aftermath of the Holocaust, knowing that Israel would need as many strong alliances as possible within the European community. A protégé of Ben-Gurion and himself a legendary figure on the international political stage, Shimon Peres brings to his account of Ben-Gurion's life and towering achievements the profound insight of a statesman who shares Ben-Gurion's dream of a modern, democratic Jewish nation-state that lives in peace and security alongside its Arab neighbors. In Ben-Gurion, Peres sees a neglected model of leadership that Israel and the world desperately need in the twenty-first century.

David Ben-Gurion and the Jewish Renaissance Shlomo Aronson 2010-11-01 This book offers a reappraisal of David Ben-Gurion's role in Jewish-Israeli history from the perspective of the twenty-first century, in the larger context of the Zionist 'renaissance', of which he was a major and unique exponent. Some have described Ben-Gurion's Zionism as a dream that has gone sour, or a utopia doomed to be unfulfilled. Now - after the dust surrounding Israel's founding father has settled, archives have been opened, and perspective has been gained since Ben-Gurion's downfall - this book presents a fresh look at this statesman-intellectual and his success and tragic failures during a unique period of time that he and his peers described as the 'Jewish renaissance'. The resulting reappraisal offers a new analysis of Ben-Gurion's actual role as a major player in Israeli, Middle Eastern, and global politics.

The Jewish State: The Struggle For Israel's Soul Yoram Hazony 2000-05-07 Argues that Post-Zionism, a cultural and political revolt, is aiming to dismantle Israel's legal and moral standing as the Jewish state.

The Birth of Israel, 1945-1949 Joseph Heller 2000 Joseph Heller tells the story of the complex and often conflicting political calculations that led directly to the founding of the independent Jewish state of Israel in the aftermath of World War II and the Holocaust. Examining the positions of many competing parties, he explains how and why the charismatic David Ben-Gurion prevailed: by shrewdly manoeuvring between radical extremes on the left and on the right, he says, Ben-Gurion managed to steer a successful middle-of-the-road policy in favour of partition.

A State at Any Cost Tom Segev 2019-08-27 'Tom Segev's meticulously researched and most elegantly written new biography of David Ben-Gurion is a must for anybody interested in both the glorious and the dark pages of the history of Zionism and Israel, as reflected throughout the life and times of the Jewish State's most important founding father' Saul Friedländer, Pulitzer Prize-winning author of *Nazi Germany and the Jews* and *Where Memory Leads*. As the founder of Israel, David Ben-Gurion long ago secured his reputation as a leading figure of the twentieth century. Determined from an early age to create a Jewish state, he took control of the Zionist movement, declared Israel's independence, and navigated his country through wars, controversies and remarkable achievements. In this definitive biography, Tom Segev uses previously unreleased archival material to give an original, nuanced account that transcends the myths and legends that have built up around the man. He reveals Ben-Gurion's secret negotiations with the British on the eve of Israel's independence, his willingness to countenance the forced transfer of Arab neighbours, his relative indifference to Jerusalem, and his occasional eccentric moments - from UFO sightings to plans for Israel to acquire territory in South America. The result is a full and startling portrait of a man who sought a state 'at any cost' - at times through risk-taking, violence, and unpredictability, and at other times through compromise, moderation and reason. Segev's Ben-Gurion is neither a saint nor a villain but a twentieth-century leader whose iron will and complex temperament left a contentious legacy, and one of the world's most intractable national conflicts.

The New Israelis Yossi Melman 1992 Combines historical perspective and first-person anecdotes to discuss Israel's history, the state's continuing role as occupier since 1967, and the Israelis' origins and outlooks

The Shaping of Israeli Identity Robert Wistrich 2014-03-05 A dozen essays document the evolution of national myths in Israel as the heroic figures and events of independence and survival transmuted into blind fanaticism, great-power manipulation, and traditional colonialism and genocide. Without passing any judgement on the changes, they delve into the mean.

Are We One? Jerold S. Auerbach 2001 But a covenantal Israel, which draws its Jewish identity from divine promise and the biblical narrative, refuses to surrender to modern imperatives. As the very nature of Jewish statehood has become ever more polarized, American Jewish life has been profoundly affected by this fateful Zionist contradiction."

The Imaginary Voyage Shimon Peres 1999 Ex Israeli Premier Shimon Peres takes us on an imaginary trip around Israel with Zionist leader Theodore Herzl. Together they contrast their impressions of this young country.

From Binalional Society to Jewish State Yosef Gorni 2006 This book focuses on the federal ideas in Zionist political thought in the state of Israel from the early 1920s to the late 1990s, specifically in the periods of the British mandate (1920-1948) and the years 1967-1992.

Israel at Sixty Deborah Hart Strober 2008-02-11 Based on extensive interviews, *Israel at Sixty* presents a balanced, comprehensive account of this complex and amazing land. It re-creates historic events from the actions of Israel's founding visionaries through the ravages of six wars with its Arab neighbors to its growing strength and international stature and efforts to make permanent peace with its adversaries. Complete with more than fifty previously unpublished photos, *Israel at Sixty* is a beautiful keepsake for anyone who loves, respects, and supports the Jewish state.

Heroes of Israel Chaim Herzog 1989-01-01 Tells the stories of Deborah, Joshua, Samson, David Ben-Gurion, and the Israeli Defence Forces's raid on Entebbe.

Buber and Ben Gurion. Ein Streit über den Zionismus Moritz Härtel 2018-06-26 Studienarbeit aus dem Jahr 2018 im Fachbereich Geschichte - Allgemeines, Note: 2,0, Universität Erfurt, Sprache: Deutsch, Abstract: Seit den Jahren der Tempelzerstörung ca. 800 v. Chr. in Jerusalem waren die Juden in einer Situation, in der sie über kein eigenes Land verfügten, sondern stets in Diaspora Gemeinschaften zusammenlebten. Von der Antike bis zum Ende des 19. Jahrhunderts sahen sich die jüdischen Gemeinschaften immer wieder mit den Situationen konfrontiert vertrieben, geduldet oder, je nach politischer Situation, zeitweise gebraucht zu werden. Es entwickelte sich hierbei der Wunsch zurückzukehren nach Jerusalem und das damit verbundene Ende der Diaspora. Dieser gipfelte in der Strömung des sogenannten Zionismus, zu dessen Vertretern sowohl Martin Buber als auch David Ben Gurion gehörten, auch wenn beide ihn unterschiedlich auffassten. So kämpfte Ben Gurion für die Schaffung eines Staates Israel und einer „Heimstätte für das jüdische Volk“. Für Martin Buber ging es lediglich darum, zum heiligen Berg Zion zurückzukehren und in einer Koexistenz mit den dortigen arabischen Nachbarn zu siedeln und zu leben. Schon allein an diesen beiden Personen und ihren Auffassungen des Zionismus wird deutlich, dass es nach wie vor ein heiß diskutiertes und sowohl gesellschaftlich als auch religiös und politisch umstrittenes Thema ist, welches viel Zündstoff in sich birgt. In den

folgenden Kapiteln werden die unterschiedlichen Standpunkte der beiden „Kontrahenten“ in der innerzionistischen Debatte dargestellt. Weiterhin soll geklärt werden, in wieweit der hebräische Humanist Buber auf den Realpolitiker Ben Gurion, und anders herum, reagiert hat und welche persönlichen Dimensionen der Streit um die Verwirklichung des Zionismus annahm.

Der Judenstaat Theodor Herzl 2020-07-16 Reproduktion des Originals: Der Judenstaat von Theodor Herzl

Handbuch Jüdische Studien BOHLAU VERLAG. 2021-11-15 English summary: Die Jüdischen Studien umfassen alle Gebiete, die für die Erforschung der jüdischen Geschichte, Philosophie und Religion von Bedeutung sind. Sie repräsentieren ein relativ junges Fach in der deutschen akademischen Landschaft, aber ein Gebiet von wachsender Bedeutung. Jüdische Religion und Kultur haben tiefe Spuren in der deutschen und europäischen Geschichte, Philosophie und Literatur hinterlassen, sie waren beeinflusst vom wechselhaften Verhältnis der jüdischen und christlichen Religion, das bisweilen ein tolerantes Miteinander ermöglichte, in anderen jedoch zu Verfolgung, Hass und - wie in Deutschland im 20. Jahrhundert - zum Genozid führte. Das Handbuch versucht, entlang einzelner Begriffe wie Ritual, Aufklärung, Diaspora, Sefarad/Aschkenas oder Zionismus sowie verschiedener Forschungsgebiete wie Philosophie, Mystik, Recht oder ökonomische Einblicke in die Geschichte des Judentums zu geben. Wer mehr über das Regelwerk und die Ereignisse wissen will, die über jüdische Geschichte bestimmten und moderne Formen jüdischen Lebens hervorbrachten, findet viele Zugänge und vertiefende Einblicke. Who's who in Jewish History Joan Comay 1974 This book ranges over twenty centuries of Jewish history, from the Hasmonean dynasty to modern Israel. Here listed are the scholars, courtiers, and martyrs who have shaped that saga; individual Jews celebrated in the society of their times; and the non-Jewish emperors, statesmen, popes and tyrants who have left their mark on the Jewish people for good or evil. -- Publisher description.

The Israel Palestine Puzzle Joseph Heller 2008 In the books first essay, The Ben-Gurion Magnes Debate, Jewish State of Binational State, Professor Heller juxtaposes Ben-Gurion and Magnes as pivotal adversaries speaking to the primary problems of Zionist ideology and identity. He chooses the mythic personification of the State of Israel, the new nations sturdy founding father, its first commander-in-chief, first Prime Minister, and first Minister of Defense, David Ben-Gurion, to represent the Zionist position of a country just for the Jews. On equally matter-of-fact pragmatic grounds, Heller selects Ben-Gurions foremost critic, the founding embattled Chancellor and President of the Hebrew University, Judah Magnes, to represent the bi-nationalist proponents of an Arab-Jewish joint entity that had not the remotest chance of acceptance by either Arabs or Jews. Conversely, the high expectations, moral fervor, and utter candor that imbue the Ben-Gurion-Magnes discourse, including joint interviews arranged by Magnes with Arab intellectuals that all failed, as conveyed by Heller, capture the essence of the Jewish-Arab dilemma and the beguiling authenticity, spaciousness and universalism of the Zionist vision at its most imaginative. Hellers companion essay, Israels Borders in Historical Perspective: The Security-Demography Dilemma, provides a vivid running historical account and analysis of Israels infra-structure, its borders and non-borders, its population densities and non-densities, its defenses and non-defenses in the face of the continual besiegement from the first day of its existence. Understandably, every young Israeli still remains conditioned to regard herself or himself to be a soldier on leave.

Ben-Gurion, Prophet of Fire Dan Kurzman 1983

The Pen And The Sword Mik'el Qeren 1989-07-26

David Ben Gurion Tom Segev 2018-04-23 Die große Biographie des Staatsgründers David Ben Gurion Er ist eine der großen politischen Gestalten des 20. Jahrhunderts: David Grün, geboren 1886 im Russischen Reich, der sich seit seiner Ankunft in Palästina 1906 Ben Gurion nannte. Schon früh engagierte er sich für den Zionismus und die Unabhängigkeit eines jüdischen Staates in Palästina. Als er 1948 schließlich den neuen Staat ausrief, setzte er die Interessen Israels um jeden Preis durch, nicht zuletzt auf Kosten der Palästinenser, die aus ihrer Heimat vertrieben wurden. Der international renommierte Journalist und Bestsellerautor Tom Segev (»Die siebte Million«) widmet sich in seiner großen Biographie dem Leben und Wirken des Gründers des Staates, der aus Palästina hervorgegangen ist – und erzählt zugleich eine Weltgeschichte Israels im 20. Jahrhundert.

Jabotinsky's Children Daniel Kupfert Heller 2019-11-19 How interwar Poland and its Jewish youth were instrumental in shaping the ideology of right-wing Zionism By the late 1930s, as many as fifty thousand Polish Jews belonged to Betar, a youth movement known for its support of Vladimir Jabotinsky, the founder of right-wing Zionism. Poland was not only home to Jabotinsky's largest following. The country also served as an inspiration and incubator for the development of right-wing Zionist ideas. Jabotinsky's Children draws on a wealth of rare archival material to uncover how the young people in Betar were instrumental in shaping right-wing Zionist attitudes about the roles that authoritarianism and military force could play in the quest to build and maintain a Jewish state. Recovering the voices of ordinary Betar members through their letters, diaries, and autobiographies, Jabotinsky's Children paints a vivid portrait of young Polish Jews and their turbulent lives on the eve of the Holocaust. Rather than define Jabotinsky as a firebrand fascist or steadfast democrat, the book instead reveals how he deliberately delivered multiple and contradictory messages to his young followers, leaving it to them to interpret him as they saw fit. Tracing Betar's surprising relationship with interwar Poland's authoritarian government, Jabotinsky's Children overturns popular misconceptions about Polish-Jewish relations between the two world wars and captures the fervent efforts of Poland's Jewish youth to determine, on their own terms, who they were, where they belonged, and what their future held in store. Shedding critical light on a vital yet neglected chapter in the history of Zionism, Jabotinsky's Children provides invaluable perspective on the origins of right-wing Zionist beliefs and their enduring allure in Israel today.

The Question of Zion Jacqueline Rose 2005 Zionism was inspired as a movement--one driven by the search for a homeland for the stateless and persecuted Jewish people. Yet it trampled the rights of the Arabs in Palestine. Today it has become so controversial that it defies understanding and trumps reasoned public debate. So argues prominent British writer Jacqueline Rose, who uses her political and psychoanalytic skills in this book to take an unprecedented look at Zionism--one of the most powerful ideologies of modern times. Rose enters the inner world of the movement and asks a new set of questions. How did Zionism take shape as an identity? And why does it seem so immutable? Analyzing the messianic fervor of Zionism, she argues that it colors Israel's most profound self-image to this day. Rose also explores the message of dissidents, who, while believing themselves the true Zionists, warned at the outset against the dangers of statehood for the Jewish people. She suggests that these dissidents were prescient in their recognition of the legitimate claims of the Palestinian Arabs. In fact, she writes, their thinking holds the knowledge the Jewish state needs today in order to transform itself. In perhaps the most provocative part of her analysis, Rose proposes that the link between the Holocaust and the founding of the Jewish state, so often used to justify Israel's policies, needs to be rethought in terms of the shame felt by the first leaders of the nation toward their own European history. For anyone concerned with the conflict in Israel-Palestine, this timely book offers a unique understanding of Zionism as an unavoidable psychic and historical force.

Ben-Gurion's Political Struggles, 1963-1967 Zaki Shalom 2006 An essential insight into this central figure in the modern history of Israel and Zionism. This important new study explores the years that built up to the Six Day War and details the crucial issues and events the world is still grappling with today. This book traces Daniel Ben-Gurion's waning years in Israeli politics. After his resignation from the office of prime minister in 1963, the 'Old Man' soon lost faith in his self-chosen successor, Levi Eshkol, and ceaselessly tried to undermine the latter's premiership, eventually forming a breakaway party. The events leading up to the Six-Day War in June 1967 caught Ben-Gurion by surprise. During the weeks-long 'waiting period' prior to the outbreak of hostilities, he paid little attention to daily security issues. But when war did erupt, he displayed one of his key leadership skills -- the ability to formulate an accurate, independent situation assessment. It will be of interest to scholars working in Israeli politics and history, this is a lucid, thoroughly researched account of the sunset years of the driving force behind the Israeli nation-state.

Astrid Lindgren. Ihr Leben Jens Andersen 2015-09-28 Vor siebzig Jahren begann Astrid Lindgrens außerordentliche Karriere als Schriftstellerin. Auf Pippi Langstrumpf folgten Bücher, die die Kinderliteratur revolutionierten – und ihre Autorin schon zu Lebzeiten zu einer Legende werden ließen. 2002 verstarb Lindgren 94-jährig; man kannte sie als engagierte Frau, die für Frieden, Gerechtigkeit und die Rechte von Kindern eintrat. Jens Andersen erzählt in seiner preisgekrönten Biografie „Ihr Werk und Leben erschreckend neu“ (SZ). Über Jahre hinweg studierte er unveröffentlichte Quellen, und so kommt eine Autorin zu Wort, die nicht nur weltweit Erfolge feiern durfte, sondern Einsamkeit und Trauer kannte und ein Leben lang von Schuldgefühlen geplagt war, weil sie ihren unehelichen Sohn bei Pfllegeeltern hatte unterbringen müssen. Zugleich aber erzählt Jens Andersen eine Geschichte von Moderne und Modernisierung – Astrid Lindgren, die das 20. Jahrhundert miterlebt und mitgeprägt hat, wird zu einer bewundernswerten Ikone des Jahrhunderts der Gleichberechtigung. "Ich lebe einfach und glaube, man muss jeden Tag so leben, als wäre es der einzige." Astrid Lindgren

Jewish Identity: Modern Responsa and Opinions on the Registration of Children of Mixed Marriages Baruch Litvin 1965

Health and Zionism Shifra Shvarts 2008 An exploration of the major conflicts and historic events that shaped the current Israeli health care system.

The Government And Politics Of Israel Don Peretz 1983-12-15 Overviews the dynamics of Israeli politics, focusing on the latest changes in electoral procedures and political parties as well as the origins of the government and the evolution of its institutions. Details the workings and policies of government, and discusses the status of women, political ideologies, interest groups, and the Gulf War. This third edition is revised to reflect changes in the country since 1983, including the withdrawal from Lebanon and the recent Declaration of Principles. Paper edition (unseen), \$23.00. Annotation copyrighted by Book News, Inc., Portland, OR

The Israelis: Founders and Sons Amos Elon 2019-08-16 "Superb... The first critical analysis of Israel written from within... It's a deliberate act of self-awareness, exploring how a people got where they are." – Time "The most illuminating, even-handed, candid appraisal of the contemporary Jewish condition yet to appear" – Newsweek "[A] penetrating, profound, explosive essay-analysis of the Israelis and the Jews... Elon is that very rare writer of contemporary history who can sincerely and honestly see and sympathize with the irreconcilable forces of so suicidal a death-embrace as the Israeli-Arab struggle... a moving, enlightening, stimulating book... this book is a beacon." – David Schoenbrun, The New York Times "Amos Elon should be praised... he has written the most acute, even-handed portrait yet of the perennially controversial Israelis... he has created a portrait that is as complex as it is palpable." – Roger Jellinek, The New York Times "An instant bestseller in Hebrew, and in English from 1971, it became required reading in schools and mirrored the lives of Israelis." – The Guardian "[A] superb book" – The Nation "Amos Elon's The Israelis stands out as a uniquely valuable book" – Commentary Magazine

Palestine Jewry and the Arab Question, 1917-1925 Neil Caplan 1978 An analysis of the Palestine Jewry's attitudes to the "Arab question". This book shows how the majority of the Palestinian Jews saw the experience of 1917 to 1925 as justifying the adoption of a firm "solution" to the conflict with the Arabs.

Making Israel Benny Morris 2007-11-26 Benny Morris is the founding father of the New Historians, a group of Israeli scholars who have challenged long-established perceptions about the origins of the Israeli-Palestinian conflict. Their research rigorously documented crimes and atrocities committed by the Israeli armed forces, including rape, torture, and ethnic cleansing. With Making Israel, Morris brings together the first collection of translated articles on the New History by leading Zionist and revisionist Israeli historians, providing Americans with a firsthand view of this important debate and enabling a better understanding of how the New Historians have influenced Israelis' awareness of their own past. "The study of Israeli history, society, politics, and economics over the past two decades has been marked by a fierce and sometimes highly personal debate between 'traditionalists'---scholars who generally interpreted Israeli history and society within the Zionist ethos---and 'revisionists'---scholars who challenged conventional Zionist narratives of Israeli history and society. Making Israel brings together traditionalists and revisionists who openly and directly lay out their key insights about Israel's origins. It also introduces multidisciplinary perspectives on Israel by historians and sociologists, each bringing into the debate its own jargon, its own epistemology and methodology, and its own array of substantive issues. This is essential reading

for anybody who wants to understand the different interpretations of Israeli society and perhaps the central debate among students of modern Israel." ---Zeev Maoz, Professor of Political Science at the University of California, Davis, and Distinguished Fellow at the Interdisciplinary Center, Herzliya "Israel's 'new historians' have done a great service to their country, and to all who care about the Arab-Israeli conflict. By challenging myths, reexamining evidence, and asking truly important questions about the past they help to confront the present with honesty and realism. This book provides a sampling of the best of what these courageous voices have to offer." --William B. Quandt, University of Virginia Benny Morris is Professor of Middle East history at Ben-Gurion University in Beersheba, Israel, and is the author of Righteous Victims: A History of the Zionist-Arab Conflict, 1881-1999.

The Life and Times of Menachem Begin Amos Perlmutter 1987 Documented by in-depth research into Begin's family origins in Poland, his Holocaust experiences and his years as a guerrilla leader in Palestine, this biography draws together the threads of Begin's life and career in Israeli politics

Arthur Ruppin and the Production of Pre-Israeli Culture Etan Bloom 2011-03-18 Ruppin's immense contribution to the Zionist movement gave him the title "The Father of Jewish/Zionist settlement in Palestine." Nevertheless, the common narrative sets Ruppin's historical persona in an ambivalent position and suppresses his formative role and heritage. Part of the reason for this is that, in many ways, his history causes a crack to appear in the Zionist national "cover stories."

Zionism in an Arab Country Esther Meir-Glitzenstein 2004 This book explores the relations between the Zionist establishment in Israel, and the Jewish community in Iraq.

Like Stars and Dust David Ben-Gurion 1997
